Intuit QuickBooks ProAdvisor® Program Product Discounts

(1) The QuickBooks ProAdvisor Program membership is a one year agreement. From the date of signup (Annual Membership Date), your credit card or EFT account will be automatically charged the then-current rate for your monthly or annual membership, every month or year (depending on the plan purchased), until you cancel the Annual Auto-Renewal Service. The ProAdvisor Program membership has a 60-day money back guarantee. You will only receive a full refund for your membership if you cancel by calling (888) 250-7279 within 60 days from signup. Within 60 days, refunds will be processed to the credit card or EFT that we have on file for you. After the 60 day period has expired if you cancel you will not receive a full or partial refund for the unused portion/duration of your membership. If you elected to pay for the annual membership utilizing the monthly payment plan option, and you cancel your monthly payment plan after the 60 day period, the remaining balance of your monthly payments will be due upon cancellation. At this time, your Annual Auto-Renewal Service will also cancel and you will not automatically be billed in future months or years unless you rejoin the Program. Thirty (30) days before your Annual Membership Renewal Date, Intuit will notify you by email that your membership is up for renewal, and depending upon the payment option you selected (monthly plan or single-annual payment) you will be charged the then-current Renewal Membership fee to the credit card or EFT on file. You can opt out of the Annual Auto-Renewal Service at any time by again calling (888) 250-7279. Terms, conditions, pricing, features, service and support are subject to change without notice. New features, improvements, and upgrades are provided with an active membership, when and if they become available. Membership requires internet access, product registration, and an Intuit account.
